We will use the random number generator on [Random.org](https://www.random.org/) to select the winner. Dolphin Safe LLC is offering a trip for two to the Waikiki Roughwater Swim taking place on September 7, 2020. The package is for standard airfare and airport transfer for two adults, a five day four night stay and one entry into the Waikiki event. Due to our inability to pre-book the package without the names and required information of the travelers, we will either book your package within 7 business days of the winner being announced or provide the winner with a travel voucher equivalent to the actual cost of the package not to exceed \$2500. The winner may opt for a \$1000 cash prize if they do not wish to go to the Waikiki event.

Dolphin Safe LLC is not responsible for any additional fees charged by the airline once the package has been booked or the voucher has been delivered. The flights will be based out of a major airport in Southern California at the choosing of Dolphin Safe Events LLC. The winner is responsible for any cost associated with departing from and arriving to the designated airport. The winner and their guest are responsible for any additional fees, damage, service charges or purchases charged by the hotel after the travel package has been booked or the voucher delivered. Dolphin Safe LLC is not responsible for any damage or loss to you, your property, others' property, any physical injury or death that may occur associated with receiving the offered prize.

This document may be altered or changed at any time and the winner will be required to sign a waiver and acceptance form at the time of booking or delivery of the voucher.

Plain english: we want to do something nice for one of our swimmers and a guest. Once we have booked the trip or given you the voucher, the rest is on you. Don't do anything stupid, dangerous or irresponsible. Train for the swim, have a great time and we'll see you at TikiSwim10!
